GIT

CAREER OBJECTIVE

Highly motivated and detail-oriented front-end developer with a passion for creating stunning user interfaces. Recently graduated from a rigorous bootcamp program in web development, with a strong foundation in HTML, CSS, and JavaScript. Eager to apply newly gained skills and knowledge in a professional setting to create visually appealing and functional websites and applications.

WORK EXPERIENCE

Carer

2020 - current

- From 2020 to present, I have been a full-time caregiver for my daughter who has autism. This experience has taught me valuable skills in communication, patience, problem-solving, and adaptability. It has also instilled in me a strong work ethic and a deep sense of compassion and understanding for those facing challenges.

PA/Support Worker

Reuben Akitt-Sharpe, Brighton

October 2019 - November 2022 / Brighton

- Performed housekeeping duties like cleaning, laundry, meals and budget management

PA/Support Worker

Jacob Berkson, Brighton

November - March 2014

- I worked for a client with quadriplegia requiring 24 hour care. I supported him with all day-to-day domestic and physical needs including all personal care, household management, meal planning and preparation as well as supporting him to access activities in the community.
